MOBILE PHONE ADDICTION

OLDER STUDENTS TEACHING YOUNGSTERS ABOUT
HOW TO LIMIT MOBILE PHONE USE

4 students training to be nurses (former LTETT students) asked our school to participate in their final year project.

Their final project included a two-hour sequence about mobile phone addiction for 12-13 year-old students

The students' work in the classroom was mainly a discussion round revolving around three different topics:

- a. Mobile phones are a modern prison!**
 - b. Mobile phone use is not a hobby!**
 - c. Offline is the new online!**
-
